soffioni

shower heads

Ogni ambiente ha le sue caratteristiche, e ogni caratteristica trova il suo soffione: una vasta scelta di soffioni di diverse forme e misure, con installazione a parete o a soffitto, con erogazione dell'acqua classica o a cascata, ispezionabili o meno, ultrapiatti e con sistema anticalcare.

Perché il benessere non conosce compromessi.

Each environment has its own characteristics, where our shower-heads may be placed: a wide choice of shower-heads of different shapes and sizes, with ceiling or wall installation, with classic or cascade water flow, inspectable or not, ultra-thin and with anti-scale system.

Because the well-being knows no compromise.
